Author's Comments

♡"If asked if this is a gag manga or a serious one, or a love comedy, or a horror one (?)... I'd say I'm trying for a mix of all with a splash of sexiness ♥. So, I don't think it's representative of any one genre, but it conveniently lets me draw anything I want. If some plot is too implausible for humans, I can write it off saying "well, they're monsters"... That's the way the story goes, but please keep reading anyway." (Miyagi Riko)

The Story Till Now

This is Higo! Here at Saint Monster Academy, the school I got into on a recommendation, the students and teachers are all monsters. I was surprised to learn that I'm not a human myself, but the legendary White Crow!! Against my will, Papa chose the student body president, Kurou-kun, to be my fiancé. At first, I thought Kurou-kun was mean and didn't like the idea, but I find myself gradually warming to it...

Kurou-kun's parents came to class observation day. His mother, Kiyoko-san, might look as cute as a little kid, but she's feared by all as the strongest monster ever, the "Priestess of the Moonless Night"..!? It seems she knows my papa as well, but what happened between them way back when? Miyako-san says Kurou-kun will marry his younger sister, Chiya-chan, and hurts the defiant Kurou-kun!! He manages to get away, but Chiya-chan is serious about this, too. Now what's going to happen?

She... she sees the future...!?
THE MONSTER WORLD MAY BE WIDE AND VARIED, BUT THERE AREN'T MANY WITH THE POWER TO SEE THE FUTURE
HER NAME IS KNOWN EVEN AMONG US FOREIGN MONSTERS ...
*Yuki's dad is a Northern European snow man.
SHE CAN FORETELL INDIVIDUAL DESTINIES AND NATURAL DISASTERS.
SHE'S ACTUALLY HELPED COUNTLESS PEOPLE.
AMAZING
SOMEONE LIKE THAT IS KUROU-KUN'S MOTHER
... AND, BECAUSE OF THAT IMMENSE POWER.

IT WAS PROBABLY JUST A JAB AT SHOU-KUN...
AH, I DOUBT IT...

YOU MUST NEVER MARRY THAT GIRL!!

C... COULD SHE MEAN THERE'S SOMETHING BAD IN MY FUTURE WITH KUROU-KUN...?

TENMA YASHA...
IT WAS YA-KUN
THE TENMA FAMILY IS, AMONG CROW TENGU, THE NOBLE FAMILY OF NOBLE FAMILIES
SO FOR THEM TO TAKE IN A CHILD OF UNKNOWN PEDIGREE... THE PEOPLE AROUND THEM WERE QUITE OPPOSED TO IT
BUT
Weren't aware of that.
...
Yeah...
I MIGHT HAVE DIED IF YA-KUN HADN'T HELPED ME THEN.

YES, HONORED FATHER!!
FROM TODAY ON, THIS BOY WILL BE YOUR YOUNGER BROTHER. TAKE GOOD CARE OF HIM.
AH, IT'S ALL RIGHT. FATE MEANT FOR THIS TO HAPPEN.
YASHA IS LONELY AFTER HAVING LOST HIS MOTHER SO EARLY ON...

I'LL ALWAYS PROTECT YOU SHOU!!
IF ANYONE TEASES YOU TELL ME RIGHT AWAY

BUT IF THEY GOT ALONG SO WELL
THEN... HOW DID THINGS TURN OUT SO BADLY...?

The story of when Hyo's papa, Yasha and Miyako were little is one of the three episodes I most wanted to write for this manga, so when it was approved, I was overcome with joy. So, well, wherever I have to stop, I have no regrets.

Though, I'm pretty sure it was the worst rated of those episodes according to the survey.

I DON'T WANNA SEE HER. I BET SHE IS REALLY SCARY...!
WHY? YOU'RE THE ONE WHO WANTS TO SEE WHAT THE "PRIESTESS OF MADNESS" LOOKS LIKE, RIGHT?
TH... THERE SHE IS!!

WE SHOULD GO BACK, YA-KUN...!!

Also, Rokurokubi-kun's neck only grows just a little bit, and all the other monsters don't really seem to have that much power.

"They used to be able to do a lot more 2 generations ago, but we can't do anything."

Actually, that may be a peaceful era in and of itself.

<LOVE MONSTER VOLUME 6 CHAPTER 3½-END>

The White Crow

(Notes from one researcher)

In the human world, the phrase, "a white crow" is used to mean "incredibly rare" or "strange". On the other hand, in the monster world, "THE" is used instead of "a", indicating the legendary white crow. We didn't have any formal record of this before. As we can confirm is that its existence now is only Hyoko Ozora, the 1st year student of SM school Far Eastern branch. (But we have to investigate more about its authenticity)

According to legend, it's said that its white feather will grant any wish. For that reason, a massive "white crow hunting" was carried out in the past.

The white crow resembles an "angel" in the human world but it's a completely different creature. According to one theory, the white crows sometimes appear in front of a human being since they like them. Thus, we see white crows in literature and paintings of angels.

Or, is it possible that human beings created angels based on the white crow?

They are said to be the strongest and most beautiful creatures in this world. They can conquer this world if they want. But this is just a "legend".

Even in the monster world, which human beings consider as "non existant," the white crow is still a "fairy tale".

I SEE...
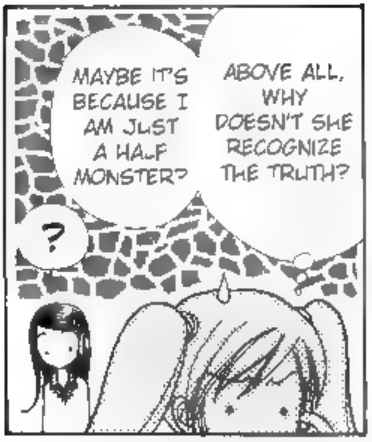
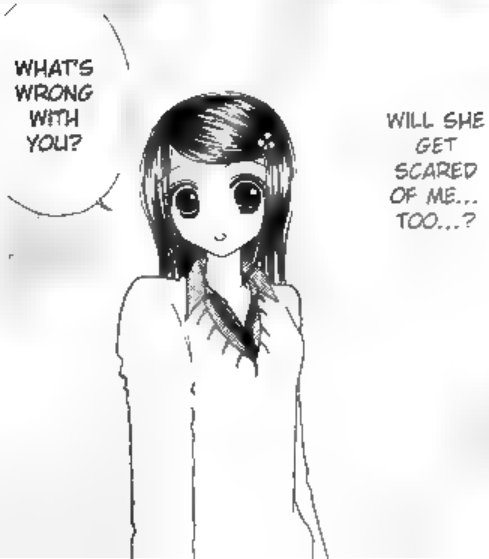
YES HE IS... !! I KNOW THAT WEIRD AURA OF HIS IS NOT HUMAN.

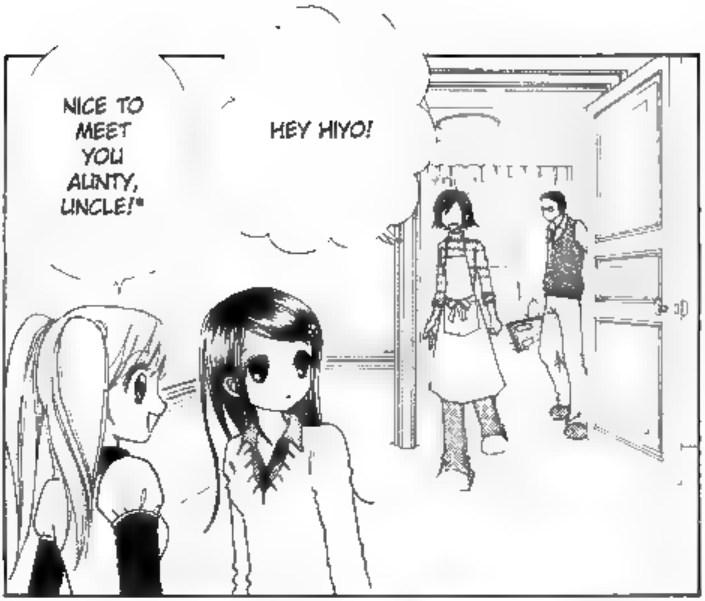
WHAT IF SHE KNOWS ABOUT THIS..
I AM A HALF MONSTER



MAYBE IT'S BECAUSE I AM JUST A HALF MONSTER?
ABOVE ALL, WHY DOESN'T SHE RECOGNIZE THE TRUTH?
?



WHAT'S WRONG WITH YOU?
WILL SHE GET SCARED OF ME... TOO...?



*In Japanese, even if there's unrelated younger people call older people by the title Aunty and Uncle

IT'S OK KOMUGI HAS BEEN MISSING YOU BECAUSE YOU DECIDED TO GO TO A SCHOOL FAR AWAY.

BUT IF WE SEND OUR STUDENT TO OTHER AREAS, ESPECIALLY AREAS NEAR THE HUMAN WORLD, WE HAVE TO SUBMIT AN APPLICATION 1 WEEK BEFORE AND GET THE APPROVAL OF THE MANAGEMENT COMMITTEE.

YOU HAVE TO TRY HARDER!
WHY DO YOU GIVE UP SO EASILY?
AS LONG AS THE COMMITTEE IS INVOLVED IN THIS MATTER, IT'S IMPOSSIBLE.

The Night Princess

(The Most Important Conf.dential Matter)

The night princess .s usually called "a shrine maiden" Her real name is "Miyako" "the 1st Miyako," who is her ancestor, is the motner of "monsters," "devils." and "evil gods" in the far eastern part of tne world One of ner sons. Tenma (current leader of Crow Tenma Family). came to be the leader of them. Due to their character, tney are classified as "princess god" (IN this world. there are other "God" families) Its power is so strong tnat it's said to be living legend. It s said that sne nas a black feather just l.ke the crow fam.ly. But nobody has ever seen it before She shows her feather only when she is "serious" about it It means it .s the end of the world "Miyako" family doesn t need a male to produce a descendent. They have ability to produce a descendent by themselves

Usually their descendent is the sole daughter She will be "Miyako" for the next generation Miyako for this generation .s a rare descendent who got married with a male She nad lots of children with her husband

However they haven t had a girl with a special ability who .s supposed to be the next Miyako But nobody is to be blamed for this. They cannot think right of her power, as it's obvious from her different name "crazy shrine maiden" She never feels sad on somebody's death This is tne special character of the God Family.
